

This week in Year 2... week commencing 19th October 2026

Oxford Owl

<https://www.oxfordowl.co.uk/please-log-in>

Please log in with your Oxford Owl log in,
located on your child's reading diary.

Last week's winning class, with the most reads on Oxford Owl was ...

Rowan

Reading book assigned this week **Too Much Pie**

Wow Rowan! You've done it again - Come on Oak, can you beat Rowan this week?

English

In English, we will be independently writing about a festival we celebrate with our family and friends.

The children will be expected to spell common exception words correctly and use correct punctuation.

Maths

This week in maths we are recapping what we have covered in maths this term. We will be completing a fun maths quiz too!

We will be looking at place value, addition, subtraction and missing numbers in a number sequences; 2's, 5's, 10's.

PE

In PE this week we will be:

Tuesday: refining our send and receive skills, team games and point scoring in a variety of ways in multi sports.

No school Friday due to INSET day

History

We will be completing our end of topic quiz, thinking about the significant people we have learnt about this term.

Dictation

No dictation this week as we will be assessing children's spellings in our phonics half termly assessment. The children will be expected to spell all the super spell words from this half term correctly, together with some common exception words. Watch out for a new set of super spell words after the October half term holiday.

Ideas for working with your child at home:

- Maths:

If 16 is my answer what is my question?

If 35 is my answer what could my question be? Use addition and subtraction, part- part whole, number sentences to show the working out.

- Sign up for the BBC 500 words competition and have a go!
- Autumn walk- create a picture of what you have found, take a photo and email it in.
- Sketching objects from around the home- still life (our Art topic)

Active 30:30

We would like to showcase all the ways that your children are physically active outside of school, on a display board in the school hall. Please send in a photo with a short description of what your child is doing, to their year group email address. The photos will be printed at school and displayed in the hall alongside a brief caption. A short description without a photo, or with a drawing by your child, would also be great. The activity could be, for example, playing on the climbing frame at the park, riding on their bike or scooter, playing football or dancing – whatever they enjoy doing.

The aim of the Chief Medical Officer is for all children to be physically active for at least 60 minutes each day, so we would love to hear how your children are working towards, or achieving this.

Mrs Mason (PE Lead)

Thanks for your support.

The Year Two team 😊

Any questions please do not hesitate to email us and we will respond as soon as we can.
